

How to Subscribe Online

1. Add Desired Shows

Choose four or more shows to build your subscription. For each event you would like to attend, select the number of tickets, the price level, and any special seat requests.

Note: Subscription discounts will not apply to “Center Stage” events. For the 2023/24 season, the only Center Stage event is Jane Lynch.

Note: Prices are listed as the full show price while selecting shows. Your subscription discount will be applied later at checkout.

The screenshot shows a list of shows with their respective price levels and subscriber counts. Red annotations point to specific elements:

- Add your desired Price Level or leave as Best Available:** Points to the "Price Level" dropdown for "BODYTRAFFIC", which is currently set to "Best Available".
- Add # of tickets to desired shows:** Points to the "Subscriber" input field for "BODYTRAFFIC", which is currently set to "2".
- Add any seat requests here:** Points to the "Any special requests? (optional)" text input field.
- Some events will only have one price level:** Points to the "Price Level" dropdown for "Phantom of the Organ with Raúl Prieto Ramírez", which is currently set to "Price Level 1: \$35".

This close-up shows the "Price Level" dropdown menu for the event "Bobby McFerrin" on "Wed, Oct 4 2023 at 7:30 pm". The dropdown is open, showing four options:
